Market Product Comparison Remarks & Disclaimer

The above analysis and comparisons are made on the assumption that no withdrawal nor policy loans, if applicable, have been taken out throughout the policy years and that all premiums are paid in full when due.

AIA does not guaranteed the accuracy and completeness of the comparison information as the above analysis and comparisons made by the Company are based on other company's proposal and product information on the internet in April 2019. As the nature and/or characteristic of the relevant plans may be different, different age groups and/or premium amounts may generate different projected results. The compared information are based on specific scenarios only. All information is subject to change at any time without notice. AIA does not bear any liability for any errors and omissions.

This is an internal document and intended for reference only. You must not disseminate, distribute, and circulate to any third parties (including customer or potential customer). The product recommendation should be based on customer's needs according to the results of his or her needs analysis (e.g. Financial Needs Analysis).
