Hang Seng Insurance Company Limited

Prescribed Levy collected by the Insurance Authority ("IA")

Effective from 1 January 2018, the Insurance Authority ("IA") will impose a prescribed levy on insurance policy pursuant to section 134 of the Insurance Ordinance (Cap. 41). Such levy payment should be made together with the premium payment to Hang Seng Insurance Company Limited ("The Company") for direct remittance to the IA.

The policy effective date or the policy anniversary date is used to determine the levy rate applicable for the policy year. The same rate applies throughout the policy year irrespective of whether the policy year straddles more than one levy band and irrespective of the period of coverage by the policy. Subject to the applicable levy cap, the amount of levy payable for each premium payment is the amount of premium multiplied by the applicable levy rate as prescribed in the table below.

Policy effective date or policy anniversary date which marks the beginning of a policy year	Levy rate %	Levy cap for specified long term insurance policies
From 1 April 2019 till 31 March 2020 (both dates inclusive)	0.060%	HK\$60
From 1 April 2020 till 31 March 2021 (both dates inclusive)	0.085%	HK\$85
From 1 April 2021 onwards (date inclusive)	0.100%	HK\$100

It is the statutory duty of the policyholder to pay the prescribed levy to IA through authorized insurers. IA may impose on the policyholder concerned a pecuniary penalty not exceeding HK\$5,000 for non-payment of levy. The Company is collecting the levy payment from the policyholder on behalf of IA. Please note that the premium amount shown in this illustration does not include the levy payment. All subsequent premiums to be paid under the insurance policy shall also be subject to the prescribed levy payment. For details of the levy matter, please visit www.ia.org.hk/en/levy.

恒生保險有限公司

保險業監管局收取訂明徵費

於2018年1月1日起，根據《保險業條例》（第41章）第134條，保險業監管局（「保監局」）將就保險單收取訂明徵費。此徵費應與保費一同繳付予恒生保險有限公司（「本公司」），並由本公司直接轉付予保監局。

該保單之徵費率乃基於保單生效日期或保單周年日計算。不論該保單年度是否跨越多於一個徵費級別及該保單之保障年期長短，整個保單年度均使用劃一的徵費率。所需的徵費將根據下表之徵費率計算，徵費是按保單的每期保費金額與適用的徵費率之相乘，但受限於適用的徵費上限。

保單年度之開始（以保單生效日期或保單周年日計算）	徵費率 %	指定長期業務的徵費上限
由2019年4月1日至2020年3月31日（包括首尾兩日）	0.060%	港幣60元
由2020年4月1日至2021年3月31日（包括首尾兩日）	0.085%	港幣85元
由2021年4月1日起（包括該日）	0.100%	港幣100元

保單持有人有法定責任透過獲授權保險人繳付訂明徵費予保監局。若保單持有人未能按時繳付徵費，保監局可能會向保單持有人施加不超過港幣5,000元的罰款。此訂明徵費由本公司為保監局代收。請注意，此計劃書摘要內所列明之保費並不包括訂明徵費。所有往後保險單之保費亦同樣需要收取訂明徵費。有關徵費事項的詳情，請瀏覽保監局網頁 www.ia.org.hk/tc/levy。

Important Factsheet

Thank you for your application of eIncomePro Deferred Annuity Plan (100% Guaranteed) ("this Plan").

During the application, you have acknowledged important product information of this Plan. This is an abstract for your reference. For full terms and conditions, please refer to the Policy Provision.

Product nature and summary

I understand that, this Plan is underwritten by Hang Seng Insurance Company Limited ("HSIC") and my policy will be subject to key risks including but not limited to the credit risk, risk from the delay of or missing the payment of premiums due, risks from surrender, liquidity risk, inflation risk, policy currency risk, risks from Partial Surrender. The associated impacts of the key risks, please refer to the "Product Risks" section in Product Brochure for details.

This Plan is a life insurance plan with saving elements and is not equivalent or similar to any kind of bank deposit. The monthly or annual contribution is a payment of premium but not a placement of savings deposit with a bank. I am required to pay the premiums during the 5 years premium payment term. I can choose the accumulation period in 5, 10 or 15 years (if applicable) that best suits my financial circumstances.

At the end of the accumulation period, this Plan will pay me the Monthly Guaranteed Annuity Income in the 10 years Annuity Period via cash payment. The cash value and Death Benefit of this Plan will be reduced with Annuity Income paid. At the end of Annuity Period, the cash value and Death Benefit will reach zero.

Please refer to the Product Brochure and Illustration Summary for the details of application eligibility, Surrender Benefit, Death Benefit and the cash values at different time intervals.

I understand that the benefits of this Plan are subject to the credit risk of HSIC [i.e. the risk that HSIC may not be able to deliver its obligations bound by the policies (including the payment of policy benefits) due to financial difficulties].

I understand that cost of living is likely to be higher in the future than it is today due to inflation, therefore I may receive less from the policy in real term in the future even if HSIC meets all of its contractual obligations.

I understand that I should pay the premium for the entire premium payment term when due. Any delay or missing of the payment of premiums due may lead to policy lapse, and the amount (if any) I get back may be significantly less than my premiums paid.

本人明白保單利益須承受「恒生保險」的信貸風險 (即「恒生保險」可能因財政困難而未能履行保單中的約定之義務 (包括支付保單利益) 之風險)

本人明白未來的生活費或會因通脹而比現時的生活費為高，因此即使「恒生保險」已履行所有有關合約條款及責任，此保單獲發的金額在通脹調整後的實際水平可能相對下降。

本人明白本人應繳付整個繳款期內到期的保費。任何延誤或欠繳到期保費可導致保單失效，屆時所獲得之金額 (如有) 可能遠低於本人已繳付之金額。

Risk from surrender and partial surrender

I understand that If I surrender the policy after the expiry of the cooling-off period, the surrender proceeds to be received may be significantly less than the Total Premiums Paid.

I understand that the policy can be partially surrendered at any time after the cooling-off period. If the Policyholder has made any withdrawals through partial surrender, the Net Cash Value of the policy will be decreased accordingly. This will reduce the Monthly Guaranteed Annuity Income amount, the Death Benefit amount and the cash value upon surrender.

Death Benefit

I understand that I may opt to have the Beneficiary(ies) to receive the Death Benefit of this Plan. The Beneficiary(ies) may receive the Death Benefit in a lump-sum payment.

The Death Benefit before commencement of the Annuity Period is equal to (i) 101% of Total Premium Paid under the Basic Plan or (ii) 101% of the Guaranteed Cash Value as at the date of death of the Life Insured, whichever is greater, less indebtedness (if any).

The Death Benefit during the Annuity Period is equal to (i) 101% of the Total Premium Paid under the Basic Plan, less the aggregated amount of Monthly Guaranteed Annuity Income paid to the Policyholder (if any) or (ii) 101% of the Guaranteed Cash Value as at the date of death of the Life Insured, whichever is greater, and less indebtedness (if any).

退保及部分退保所導致之風險

本人明白於冷靜期後任何時間退保，退保可得之金額或會遠低於已繳總保費。

本人明白可於冷靜期後隨時申請部分退保。如本人提取部分退保金額後，保單內之淨現金價值會相應遞減。此舉會影響保單之每月保證年金入息金額、身故賠償金額及退保時可獲發之現金價值。

身故保障

本人明白本人可指定受益人領取此計劃的身故賠償。受益人將會以一筆過形式收取身故賠償。

若受保人於年金期開始前身故，身故賠償為 (i) 基本計劃之已繳保費的101% 或 (ii) 受保人身故當日的保證現金價值101%，減去任何債項 (如有)，以較高者為準。

若受保人於年金期內身故，身故賠償為 (i) 基本計劃之已繳保費的101% 減去任何已派發予保單持有人的每月保證年金入息 (如有) 或 (ii) 受保人身故當日的保證現金價值101%，減去任何債項 (如有)，以較高者為準。
