General Terms and Conditions

1. This promotional discount offer (the “**Promotion**”) applies to Eligible HSBC Customers (as defined below) who, during 29 June 2026 to 30 September 2026 (both dates inclusive) (the “**Promotional Period**”), submit an application to The Hongkong and Shanghai Banking Corporation Limited (and its successors and assigns) (“**HSBC**” or the “**Bank**”) for a new purchase of the HSBC Luminous Global Insurance Plan (the “**Eligible Insurance Plan**”) and is issued by HSBC Life (International) Limited (“**HSBC Life**”) on or before 31 December 2026.
2. “**Eligible HSBC Customer**” means a customer of the Bank or HSBC Life.
3. The premium discount is determined based on the accumulated Annualised New Premium (“ANP”) before any discount is applied. The total premium discount comprises an 8% discount applicable in the 1st policy year (for all cases) and a 2nd policy year discount that varies by customer type and ANP level. Where ANP is less than USD 1,000,000, the 2nd policy year discount is 19% for Eligible HSBC Customers (total premium discount: 27%), 20% for Selected Group 1 (total premium discount: 28%), and 20.5% for Selected Group 2 (total premium discount: 28.5%). Where ANP is USD 1,000,000 or above, the 2nd policy year discount is 23% for Eligible HSBC Customers (total premium discount: 31%), 24% for Selected Group 1 (total premium discount: 32%), and 24.5% for Selected Group 2 (total premium discount: 32.5%).
4. If an Eligible HSBC Customer who is entitled to receive the Promotion is also entitled to other premium discount offer(s) under another concurrent promotion run by HSBC Life and/or the Bank in the Hong Kong Special Administrative Region (“**Hong Kong**”) in respect of the same type of designated product or service, such customer is only entitled to receive the premium discount offer of the highest value at HSBC Life’s discretion.
5. This Promotion is only applicable to successful applications in respect of a new purchase of the Eligible Insurance Plan with a 5-year premium payment period option.
6. If customers cancel any policy application submitted or effected on or before the start date of the Promotional Period and then re-apply for the same Eligible Insurance Plan during the Promotional Period, the new application will not be eligible for this Promotion.
7. In the event of partial / full surrender, lapse or policy termination within the first policy year prior to the full payment of premium payable for the second policy year (where applicable to other premium payment term), the customer will not be entitled to first year premium discount, which amount will be clawed back by HSBC Life at HSBC Life’s discretion.

Death Benefit payment / Partial Surrender payment / Full Surrender payment equals to Death Benefit / Partial Surrender Value / Policy Value minus first year premium discount amount minus indebtedness (if any) minus surrender charges (if any). In the event of Partial Surrender, the first year discount amount being clawed back will be prorated based on the proportion of Partial Surrender Value to policy value.

If the Full Surrender value is lower than or equal to the first year premium discount amount, there will be no payout upon the Full Surrender. In the event of termination due to the death of the life insured in the first policy year, the claw back of first year premium discount will only be exercised on policy issued under guaranteed approval.
8. For premiums paid on an annual basis, the amount of premium payable in the first and second year will be calculated as follows:
 - First policy year: Full annual premium x (1- applicable First-Year Premium Discount) AND
 - Second policy year: Full annual premium x (1- applicable Second-Year Premium Discount)
9. For premium options paid on a monthly basis,
 - in the first policy year, customer is required to pay the first three months’ premium upfront with the applicable full policy year premium discount deducted from this initial upfront payment, which is calculated as follows:
 - Three months’ premium – (Annualised premium x applicable First-Year Premium Discount)
 - in the second policy year, the applicable second-year premium discount per policy year will be evenly applied to the monthly premium
10. The Promotion is not applicable to policies applied in a company’s name.
11. The Promotion is not exchangeable for cash and is not transferable.
12. The Promotion is not applicable to policies applied with special quote exceeding the standard “Product summary” in the relevant product brochure.
13. The Promotion is provided subject to prevailing regulatory requirements.
14. The amount of total premiums payable under the policy may differ slightly from the total premium(s) payable as shown in the application form due to rounding differences.
15. HSBC Life reserves the right to accept or reject any application for any plan based on the information provided by the applicant as the potential policyholder and/or the potential life insured during the application process.
16. For eligible dispute (as defined in the Terms of Reference for the Financial Dispute Resolution Centre in relation to the Financial Dispute Resolution Scheme) arising between HSBC and the Eligible HSBC Customers out of the selling process or processing of the related transaction, HSBC will enter into a Financial Dispute Resolution Scheme process with the Eligible HSBC Customers; however, any dispute over the contractual terms of the product should be resolved between HSBC Life and the Eligible HSBC Customers directly.
